REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

St. Stephen Elementary is a small community school of national and state distinction that fosters a positive learning environment for all students. We are very proud of our students, our community, our faculty and staff, and our campus. Our school is rich in heritage and serves students in Pre-K through grade 5.

“Failure is not an Option” is our motto and it drives our mission to establish high standards by creating a learning environment which ensures student performance at the highest level.

As we continue to create Professional Learning Communities within our school, we work together to create an environment that fosters mutual cooperation, emotional support, and personal growth as we work together to achieve what we cannot accomplish alone for our students. Teams of teachers meet weekly to discuss curriculum and to analyze student data.

The support of our parents and greater community has been phenomenal! Parents and community members have volunteered hundreds of hours both on campus and remotely from home. Be it fundraising, decorating for a schoolwide function, planning a class celebration, or chaperoning on a field study, we can always count on our parents and community partners for their support, and it makes all the difference in the world.

The faculty and staff of St. Stephen Elementary are exemplary! They are highly qualified, dedicated, innovative, and caring professionals. Our entire staff works unselfishly daily to ignite in every student a passion for lifelong learning.
